Steel : Our Defense

Finished steel is needed by manufacturers in thousands of different shapes and sizes. It is one of the major products for defense in our American economy and a vital source of income for the Beaver Country area.

The Steelmark is a symbol of quality. It identifies the beauty, durability, and quality of steel... produced by companies such as J & L. Look for the Steelmark when you buy.

In the olden days

Wearing a ring on the forefinger signified
a haughty spirit;
On the middle finger, prudence and dignity;
On the "ring" finger, love;
On the little finger, a masterful spirit.
Today, on any finger, your Balfour class ring
symbolizes moments and memories shared with
your classmates. Treasure them always.

Hard Work Proves Itself Worthwhile

Ninety three members ... 10 editors attend Ohio University Workshop ... I attended Kent State ... summer meetings ... layouts ... ads patrons ... bakesales ... copy ... type, in captions ... first deadline ... play day ... sell candy ... \$1,500 grant from School Board ... meet the deadline ... hurry, hurry ... "Don't worry about it!" ... crop pictures ... triplicate copy forms ... type ... "We made it!" ...

We would like to thank all those who have donated their time, help and money to the yearbook's success. We especially thank the School Board for its generous donation. The staff has tried to present Hopewell to you—the academic life the students lead, their social activities, and their relationships to each other. We hope you have seen the priceless value we place on the experiences we have shared here and the friendships we have made.

Sincerely,
1969 VIKING Staff
